Product Details

Title: ready made curtains, curtain poles, curtains UK, curtain accessories, curtain poles uk

Product Name: [Oak Romantica 28mm Grained Wood pole](#)

Category: [28mm diameter](#)

Model: 28mm grained oak

Description: These 28mm poles are a Superior Quality Solid Wood pole with Solid Wood rings and Urn Finials, they are a popular size for light to medium weight curtains. This pole is available in a Grained finish to add a touch of class to any window or the standard Stained wood finish. The two finishes are listed separately in each diameter range. This listing is for Oak 28mm Grained finish. The finishes available in 28mm Grained are Antique Gold or Oak. All poles come complete with pole, rings, fixing brackets, finials, screws and fixing instructions. All poles 240cm and above are supplied in 2 pieces- joining dowel is supplied- the join is concealed by the centre support bracket. Packs of 4 spare rings can be purchased if you require them.

RRP: £36.00
